

How to Obtain your CEUs

Please note that MHT is no longer certifying CEUs through NSH, starting 2026.

CEUs are self-certified through ASCP and certified by ASCLS as P.A.C.E. credits. In the ASCP portal, you just type in the presentation information (see screenshots below). The sponsor is actually Missouri Society for Histotechnology, but they should accept MHT too.

You will receive your P.A.C.E. certificate from MHT by email within 45 days of the event. If you were not able to attend in-person, please ensure that you view the recording within 30 days of the event. You have 6-months to claim CE credit from P.A.C.E. ASCLS CE Organizer by acknowledging it on their [website](#).
